ABOUT THE COMPANY

# Three Decades of *Industrial Excellence*

MAS PACKERS is a Chennai-based industrial packaging solutions provider established in 1995. Specialising in customised wooden crates, plywood boxes, pallets, and export packaging, the company serves automotive, steel, medical, HVAC, heavy engineering, distribution, power, and FMCG sectors across India and global export markets. With over 30 years of expertise, MAS PACKERS engineers packaging that protects what matters most — on every road, sea, or air route.
